

Caring for Your Family Treasures

Featuring Dr. Mark Janzen, University of West Georgia

Thursday, October 8, 2026

Doors open 6:30 PM for light refreshments and socializing
Program begins 7:00 PM

Those old photographs, letters, quilts and keepsakes tell your family's story. Dr. Mark Janzen blends material culture and museum practice to show how you can protect and preserve the treasures that matter most to you.

BRING YOUR TREASURES!

Bring a family heirloom or keepsake, and Dr. Janzen will help you figure out how best to care for it.

ABOUT THE SPEAKER

A native of Texas who has called Georgia home since 2022, Dr. Janzen brings several decades of museum experience to his work at UWG. A public historian, he explores the history of science and technology, architectural history, preservation, and public memory and memorization. He also loves his many pets, sci-fi and gaming, and collecting everything Garfield.
